

**PROBLEMS OF STUDENTS MOBILITY BETWEEN THE ODESSA  
STATE ACADEMY OF CIVIL ENGINEERING AND ARCHITECTURE  
AND THE UNIVERSITY OF NORTH IN FRAMEWORK  
OF THE ERASMUS PROGRAM**

**Aniskin Aleksej** (*University North, Croatia*), **Popov Oleg** (*Odessa State Academy of Civil Engineering and Architecture, Ukraine*)

Within the **ERASMUS+ Project 2015-2-HR01-KA107-021514** referring to cooperation with higher education institution in the partner country, **University North, HR VARAZDI02** (further in the text: University North or UNIN) announces the Call for applications for awarding financial supports to individual incoming and outgoing teaching and non-teaching staff mobility, which objective is teaching or training at a selected partner higher education institution, **Odessa State Academy of Civil Engineering and Architecture, Ukraine , ODESSA 934700731** (further in the text: Odessa State Academy of Civil Engineering and Architecture or HEI). All incoming and outgoing activities supported within this call are coordinated and administered by the University North.

**Teaching activity** supports teaching staff to teach at a selected partner HEI in a specific academic discipline.

**Training activity** supports professional development of HEI teaching and non-teaching staff in the form of scientific work or training events abroad (excluding conferences).

**The overall objective** of individual mobility to be realized within this project call is intensification of international cooperation, development of institutional capacities for international mobility, internationalization of curriculum, strengthening of social dimension in international exchanges, strengthening of international partner network, and development of professional scientific and teaching skills with sustainable impact on long-term cooperation activities.

Financial supports are awarded to teaching and non-teaching staff members of the University North and to teaching and non-teaching staff members of the Odessa State Academy of Civil Engineering and Architecture, Ukraine (Odessa 934700731).

Individual staff mobility are to be realized according to the Mobility Flow Plan. Within this call, applicants can submit one application for one mobility activity.

Teaching and non-teaching staff members have to be employed by the sending HEI throughout the whole process of application and realization of mobility. Within this project call, staff can spend a teaching or training period abroad in duration of minimum 7 days (excluding travel) to maximum 15 days (excluding travel) with financial support. Longer stays are possible only without financial

support. The grant for staff will provide funding for maximum two additional days of travel (one before and one after the mobility).
